

BNX Essential Oils Collection

Discover the power of nature with our premium range of essential oils, carefully distilled from sustainably sourced plants. Each oil is **100% pure, natural, and undiluted**, designed to elevate your wellness, skincare, and lifestyle.

Helichrysum Splendidum (Cape Gold) Essential Oil

Botanical Name: *Helichrysum splendidum*

Origin: South Africa | **Extraction:** Steam distillation (flowering tops & leaves)

Description

Known as *Cape Gold* or *Southern Immortelle*, this treasured oil carries ancient healing traditions into the modern world. Rich in antioxidants and anti-inflammatory properties, it's a must-have for skincare, emotional balance, and natural wellness.

Key Benefits

- **Skin Healing:** Supports eczema, acne, and scar care
- **Radiance:** Promotes glowing, youthful skin
- **Wellness:** Relieves arthritis, stress, insomnia, and depression
- **Protection:** Antimicrobial, antifungal, and UV-filtering properties
- **Balance:** Helps release anger, frustration, and anxiety

Directions for Use

- **Bath:** Add 3 drops to a warm bath
- **Topical:** Dilute 3 drops in 50 ml carrier oil for skin/hair
- **Massage:** Add 4–6 drops to 50 ml carrier oil for aromatherapy massage

⚠ *External use only. Store away from children, sunlight, and heat. Consult a medical professional if pregnant or breastfeeding.*

Rose Geranium Essential Oil

Botanical Name: *Pelargonium graveolens*

Origin: South Africa | **Extraction:** Steam distillation (leaves & stems)

Description

With its uplifting floral aroma, Rose Geranium is a beauty and wellness powerhouse. From skincare to emotional wellbeing, it's cherished for its balancing, soothing, and regenerative effects.

Key Benefits

- **Anti-Ageing:** Firms skin, reduces fine lines and wrinkles
- **Soothing Care:** Calms irritated or breakout-prone skin
- **Repair:** Heals acne marks, scars & sun damage
- **Balance:** Regulates sebum, controls oiliness
- **Hair & Scalp:** Reduces dryness & dandruff
- **Protection:** Natural insect repellent & bite soother
- **Mood Boost:** Eases anxiety, depression, and stress
- **Freshness:** Natural botanical deodorant

Directions for Use

- **Bath:** Add 5–10 drops to a warm bath (dilute in carrier oil if sensitive)
- **Massage:** Add 5–6 drops per 10 ml carrier oil
- **Inhalation:** Add 4–5 drops to steaming water and inhale deeply
- **Diffuser:** Add 3–6 drops to vaporiser with water

⚠ *Always dilute before topical use. Do not ingest.*

Lippia Javanica (Fever Tea) Essential Oil

Botanical Name: *Lippia javanica*

Origin: South Africa | **Extraction:** Steam distillation (leaves & stems)

Description

Fresh, herbaceous, and versatile, this traditional African oil is loved for its calming scent, natural healing properties, and insect-repelling ability.

Key Benefits

- **Breathe Easy:** Supports respiratory health during colds & allergies
- **Calm Mind:** Promotes relaxation & reduces tension
- **Skin Care:** Soothes and rejuvenates irritated skin
- **Natural Repellent:** Keeps insects at bay, relieves bites & stings
- **Relief:** Eases muscle tension when massaged in carrier oils

Directions for Use

- **Diffuser:** Add a few drops to diffuser or burner

- **Respiratory:** Dilute and rub on chest or inhale from cloth
- **Skincare:** Add 1–2 drops to cream or lotion
- **Insect Spray:** Blend with carrier oil or water for natural repellent
- **Massage:** Mix with carrier oil for muscle relaxation

⚠ *May solidify over time – gently warm to liquefy. For external use only. Avoid during pregnancy. Always dilute before use.*
